01

PROFESSIONAL PROFILE

Hi, I'm Hari, a student at KGiSL Institute of Technology in Coimbatore. I love learning new things and solving problems. I've been studying here for a while, and during my time, I've been eager to learn and grow. In my first year, I learned C, Python and in my second year, I started exploring Flutter and Machine Learning. I'm always looking for ways to expand my skills and understanding of technology.

Energetic and passionate undergraduate student in Information Technology who is fully focused on building a career. Skilled in working with mobile apps and OpenCV. A team player comfortable working collaboratively with others. Seeking opportunities to contribute to innovative projects and expand knowledge and skills.

02

EDUCATION

B.Tech Informantion Technology (2022 - Current)
KGiSL Institute of Technology

- Graduated with Distinction
- Selected for Industrial Visit among the top of the class

Matriculation Higher Secondary School (2020 - 2021)
High School

- Passed with Distinction
- Specialised in Physics, Chemistry, and Maths with Computer Science

03

PROJECTS

1. Gate Surveillance Object Classification using OpenCV and YOLO on Raspberry Pi

- Developed a gateway detection system using Convolutional Neural Networks (CNNs) to enhance campus security and monitoring.

2. Weather App

- Created a real-time weather update app using the OpenWeatherMap API.
- Integrated data management with Supabase.
- Developed an arc-like structure for day and night visualizations.

3. Music App: "Feel It"

- Developed a music app called "Feel It" using Flutter.
- Focused on enhancing the user experience with a sleek and intuitive UI
- Implemented features like play, pause, repeat, and forward tracks.

4. Issues Tracking System

- Developed an app to track various issues in college, such as hostel issues, subject issues, canteen issues, and restroom issues.
- Integrated data management with Supabase.
- Users can file complaints on the website, and the requests are sent to the management for prompt action.
