## Personal Profile

Hi, I'm Siva, a student at KGiSL Institute of Technology in Coimbatore. I love learning new things and solving problems. I've been studying here for a while, and during my time, I've been eager to learn and grow. In my first year, I learned Python, and in my second year, I started exploring Flutter and Deep Learning. I'm always looking for ways to expand my skills and understanding of technology.

## Education

### B.Tech Artificial Intelligence and Data Science

Coimbatore, Tamil Nadu

KGiSL Institute of Technology

November 2021 - Current

- Graduated with Distinction
- Selected for Industrial Visit among the top of the class

### Government Higher Secondary School

Kanyakumari, Tamil Nadu

High School
